Tennessee FROI Event Table

MTC	MTC Description	Report Trigger Criteria	Report Trigger Value	Report Limit Number	Report Requirement Criteria, (in addition to FROI)	Report Due Criteria	Report Due Value	Notes
00	Original	FROI must be filed by 14th day after date of injury or date employer was notified of injury. FROI may be filed for all claims.	>14 days	Report limit is one (1). Originals cannot be duplicated. If SSN and Date of Injury match the filing will be returned as a duplicate. Add or change information with the 02 form.	Does not require a previous report to be on file to be accepted. Rejected records have to be corrected and re-filed as a 00, not a CO.	Due no later than fourteen (14) days after injury.	<=15 days from date of injury or date of notification of injury.	Rejected 00 records have to be corrected and re-filed as a 00, not a CO. If 00 filed first then followed by AU, then TPA FEIN and Name must be different or filing will be rejected as a duplicate.
01	Cancellation	File cancellation for claims filed in error such as injuries for other states.	When known.	Multiples allowed.	If cancelled in error, simply file next appropriate form. Status of cancelled will not result in rejection of other claims forms.	Date of cancellation.	<=15 days from date of cancellation.	Will be rejected if Agency Claim Number is null or if Agency Claim Number, SSN and Date of Injury do not match the current information on file with Bureau.
02	Change	Employer/Carrier realizes information has changed on an injury.	When known.	Multiples allowed.		Date of Change		Will be rejected if Agency Claim Number is null.
04	Denial	Claim is being denied, no medical or indemnity payments have been made.	Immediately upon denial.	Multiples allowed.	If claim becomes compensable, simply file next appropriate form.	Date of Denial	<=10 days from date of denial	If 00 filed first followed by Denial then ACN is required. If 00 not on file and the Denial is acceptable an ACN will be assigned. Claim Administrator is required to copy the Bureau with the claimant.
AU	Acquired/ Unallocated	Claim has been acquired by another TPA. '00' may or may not have been filed.	Claim has been acquired by another TPA.	Multiples allowed.	TPA FEIN & Name must be different than reported on '00'.	Date of assignment to TPA	<=15 days from assignment	If 00 filed first then followed by AU, then TPA FEIN and Name must be different or filing will be rejected as a duplicate.
CO	Correction	TN will notify Trading Partner of non-critical errors (TE). Trading Partner will make corrections and re-file as a CO.	When Trading Partner receives a notice marked as TE, non-critical error.		All TE Records will have comments in the Free Form Text Field in the Acknowledgement. SSN & Date of Injury fields cannot be changed on a CO.	When requested.		Will be rejected if Agency Claim Number is null or if Agency Claim Number, SSN and Date of Injury do not match the current information on file with Bureau.

Notes:

4/3/2017 Changed Report Due Value for Date of Denial to show the report is due 10 days of date of denial, per Claims Handling Standards
 4/18/2003 Changed to require the Claim Administrator to copy the Bureau when notifying the claimant of denial.
